ORDER NO.

2014-596

THIS DIRECTIVE SHALL SERVE AS THE COMMISSION'S ORDER ON THIS ISSUE.

SUBJECT:

Docket No. 2014-292-T - Application of Goding & Fish, LLC d/b/a Sure Load Moving for Sale, Transfer, or Lease of Certificate of Public Convenience and Necessity for Operation of Motor Vehicle Carrier - Discuss this Matter with the Commission.

COMMISSION ACTION:

Having received no opposition, move that the Commission, pursuant to Commission Regulation 103-101.2, waive the requirements of Regulations 103-156 and 103-135, and grant the Motion for Interim Relief which would allow the Company to operate while its transfer application is being considered. Compliance with all provisions of Regulations 103-156 and 103-135 would produce unusual hardship or difficulty, and strict compliance with these regulations is not in the public interest, since the Company has been established as an ongoing business concern. I also move that we grant the transferee's motion to waive the signature of the transferor on the Application due to the inability to obtain the signature of the transferor. Other evidence exists in the Application that shows the transferor's intent for this Commission to proceed to consider the Application after certain legal requirements are satisfied. Lastly, I move that the request for confidential treatment of portions of the Membership Interest Purchase Agreement be granted. The Company represents that this information is competitively sensitive and is entitled to protection under the South Carolina Freedom of Information Act.
